

MOHAMMAD ALI RUSTAM

A close-up photograph of a hand holding a syringe. The syringe is partially filled with a white substance. Below the hand, a metal spoon lies on a light-colored surface, containing a small amount of white powder. The background is a plain, light-colored wall.

ACKNOWLEDGEMENT

I would like to express my sincere thanks all that were involved in helping to put this book together. Once again it proves that a united effort will produce great results:

I am grateful to the Executive Committee of the World Assembly of Youth (WAY) for their continuous support of the youth around the globe. The staff of WAY Secretariat, I commend you for all the research and ideas that have been gathered to furnish this book. Your help and contribution greatly appreciated. To the Youth organization and ministries in providing information and data needed to really understand the struggles youth are facing with drug abuse. To the Foreign Missions in Malaysia, thank you for providing the necessary information on drug abuse from their respective nations.

Sincere thanks to the United Nations office on Drugs and Crime for all the data and statistics of drugs, its abuses and the efforts to reduce its impact, the information provided was vital. The

data and fact sheets from World Health Organization was helpful in providing the guidelines to help combat drug abuse.

Lastly, I want to thank all that has played a role in making this book a reality, the cooperation and the giving of time is indeed greatly appreciated.
